Promote discussion within the Assembly on issues related to migration and promote parliamentary exchanges of best practice in these fields;

Work closely with the OSCE Secretariat and Institutions as well as with relevant outside actors on issues related to migration to promote understanding among the members of the Assembly.

**Upcoming activities**

- Panel discussion on best practice and challenges regarding the sponsorship of refugees and the integration and settlement of newcomers in Canada (30 June 2023, Vancouver)
- Meeting of the Committee on the margins of the 30th Annual Session (1 July 2023, Vancouver)

Following the onset of the Covid-19 pandemic, in an effort to keep the challenges related to migration high on the PA’s agenda, the Committee initiated a series of web dialogues and online exchanges on topics such as the situation in Lesbos (Greece) and the Lipa camp (Bosnia and Herzegovina) and the impact of Covid-related restrictions on refugees and migrants, in particular those living in closed facilities.

Since February 2022, the Committee has focused on the Ukraine Refugee Crisis and its impact on countries in the OSCE region. The Committee carried out two visits — to the Czech Republic (December 2022) and Moldova (March 2023) — with the aim to share ‘best practice’ and identify areas where further support is needed.

Committee members take an active part in OSCE PA statutory meetings, putting forth recommendations for action aimed at improving migration management in the OSCE area and enhancing the protection of people on the move.

The Committee also regularly engages in dialogue with policy makers at the European and international levels on the topic of migration management and asylum policy with the aim to identify areas where parliamentarians can make a difference.

Field missions to frontline, transit and destination countries with the objective to identify examples of ‘best practice’ and areas for further improvement.

Highlighting the specific challenges in relation to persons in vulnerable categories, in particular women, unaccompanied and separated minors, and victims of trafficking in human beings.

Formulation of three resolutions containing detailed recommendations on:

- “Effective Migration Governance based on Promoting Inclusive Societies and Dignified Returns” (2019);
- “Minors on the Move: The Role of the OSCE and the OSCE Parliamentary Assembly in Building an Effective Protection Framework” (2018);

Enhanced dialogue with the OSCE, other parliamentary assemblies, the European Commission, as well as relevant international organizations and NGOs on enhancing migration governance.

History

The OSCE PA has increasingly devoted attention to migration issues since 2013, following the Syrian refugee crisis. As the crisis deepened in 2015/2016, PA delegations visited a number of refugee camps in Türkiye, Italy and South East Europe.

The Committee has been chaired since July 2022 by Vice-President Rt. Hon. Mark Pritchard (United Kingdom). Previous Chairs of the Committee: Filippo Lombardi (Switzerland), Nahima Lanjri (Belgium), Margareta Cederfelt (Sweden) and Kristian Vigenin (Bulgaria).
