## Mandate of the Committee

**Serve as a focal point for the OSCE PA's work in the field of migration**

in all three dimensions of the OSCE: political and security affairs; economic and environmental issues; and human rights and humanitarian questions; and report back to the President and the Standing Committee;

**Develop policy recommendations** aimed at enhancing OSCE work in the field of migration and at improving the treatment of, and prospects for, migrants in OSCE countries;

**Promote discussion** within the Assembly on issues related to migration and promote parliamentary exchanges of best practice in these fields;

**Work closely with the OSCE Secretariat and Institutions as well as with relevant outside actors** on issues related to migration to promote understanding among the members of the Assembly.

## Implemented activities

▶ **The Committee regularly undertakes field missions to countries impacted by irregular migratory flows.** Past field visits include: France (2016); Italy (2016, 2017, 2024); Greece (2017, 2022); Türkiye (2017, 2024); Belgium (2018, 2019); Serbia (2018); Sweden (2018); Denmark (2018); Morocco (2024) and Spain (2025).

▶ Following the onset of the **Covid-19 pandemic**, the Committee initiated a series of online exchanges on the impact of Covid-related restrictions on migrant communities.

▶ In 2022-2023, the Committee focused on the **Ukraine Refugee Crisis**. It carried out two focused visits — to Czechia (December 2022) and Moldova (March 2023) — with the aim to share ‘best practice’ and identify areas where further support is needed.

▶ In 2024-2025, the focus shifted back to the **Mediterranean**, with field visits to Lampedusa (Italy), Türkiye and Spain in response to the uptick in irregular migration. Furthermore, for the first time, the Committee addressed migration along the **Western African-Atlantic route**, visiting Morocco and the Canary Islands (Spain).

▶ The Committee also regularly engages in policy dialogue with key stakeholders at the European and international levels. In 2025-2026, the focus will be on implementation of the **EU Pact on Migration and Asylum** and implications for the OSCE region.

## Key Achievements

➤ **Field missions to frontline, transit and destination countries with the objective to identify examples of ‘best practice’ and areas for further improvement.**

➤ **Formulation of resolutions containing detailed recommendations on:**

- “Strengthening Safe and Regular Pathways for Migration” (2024);
- “Effective Migration Governance based on Promoting Inclusive Societies and Dignified Returns” (2019);
- “Minors on the Move: The Role of the OSCE and the OSCE Parliamentary Assembly in Building an Effective Protection Framework” (2018);

➤ **Enhanced dialogue with the OSCE, other parliamentary assemblies, the European Commission, as well as relevant international organizations and NGOs on enhancing migration governance.**
